

Clean with the **Power** of Hydrogen Peroxide

This oxygen-activated cleaning power penetrates surfaces & attacks soil build-up, destroys odors like urine and garbage, and provides color-safe, people-safe bleaching on any surface, removes organic stains, and restores tile & grout.

H₂Orange₂ CLEANS THREE WAYS:

- Surfactants dissolve and suspend soils in water. The *oxygen* present in Hydrogen Peroxide *activates* the surfactants and *dramatically increases* their *effectiveness*.
- Orange Oil penetrates surfaces and solubilizes soil buildup.
- Hydrogen Peroxide *oxidizes* organic soils and stains, *destroys odors*, and *provides color-safe bleaching action*.

8 Benefits of H₂Orange₂ 117

- One product – all your general cleaning needs
- Reduced Toxicity
- Kills bacteria and viruses
- Cleans and restores tile and grout
- Carpet spots disappear in seconds
- Superior carpet extraction and bonnet cleaning
- Destroys odors while you clean
- Eliminates grease and minimizes slip on any floor
- Streak-free glass cleaning
- Cleans without damaging surfaces.

H₂Orange₂ contains **no** Acids, Alcohol, Amines, Ammonia, Caustic, Chlorine Bleach, Glycol Ethers, Phosphates, Quaternary Ammonium Compounds, Dyes, or Fragrances. The combined power of Hydrogen Peroxide & Citrus Oil gives H₂Orange₂ the strength to clean up to 95% of your facility with only 2 dilutions!

H₂Orange₂ is EPA registered as a five minute, sanitizer-virucide-HIV for hard surfaces, Certified under the Green Seal GS-37 standard as environmental responsible cleaning product and is NSF approved as a general Cleaner (A1) and as a Sanitizer (D1) on all surfaces in and around food processing areas with a potable water rinse.
